SPRING BREAK WITH LEADERSHAPE!

The program in Political and Civic Engagement invites students to consider attending LeaderShape Institute over spring break. We will sponsor two PACE students to attend. We can nominate more. Please let us know if you are interested in building leadership skills through this opportunity so that you can be considered for sponsorship and be nominated by our office. Then submit your application!

LeaderShape is a week-long leadership institute that will challenge IU students to get out of their comfort zones. At LeaderShape, students won't learn how to run better meetings; they'll learn how to change the world- whatever that may mean to them.

Student Life and Learning is looking for 60 students with diverse backgrounds, interests, and areas of student involvement to connect with students from across campus and create a vision for IU and the world. LeaderShape is beneficial for all types of students, from someone just getting started on campus to students who are ready to take the next big step towards changing the world! LeaderShape 2014 will be held March 16th-21st, at Bradford Woods. Applications can be found at http://studentaffairs.iub.edu/sll/lead-iu/leadershape-2013/, and are due Monday, February 17.

PREP FOR INTERNSHIP & lifelong citizenship as part of the PACE certificate

Early in your undergraduate curriculum, you can fit in PACE-C 295 Citizenship and Careers. The two-credit course is for students who are pursuing the PACE certificate. After completing C295, you can choose from a wide variety of internship experiences and locations. Only one credit of PACE-C 410 Internship is required for the certificate (if you have taken C295) and PACE offers an internship scholarship. One credit equates to 50 hours of work over at least a six-week time period either in the summer or during a semester.

See more details at http://pace.indiana.edu/program/internship.shtml and come to see us when you are ready to plan your internship.
