**6 CASA PILOT TEST—ONLY FRESHMEN AND SOPHOMORES CAN HELP AND EARN $50**
A new version of the CORE Assessment for Educator Licensure tests begins next fall, replacing the Praxis I and II (the preparation for licensing as a public school teacher). Any freshman or sophomore student on the IUB campus can participate in the writing portion this spring in order to provide data to the company and to earn a reward: students can earn up to $100 in Visa Gift Cards by volunteering to take the test ($50 for each time they take the test). The CASA pilot test is being offered at Indiana educator preparation programs from January 14 through February 22, 2013. As a participant in the pilot testing, you will receive a $50 Visa gift card for each completed test form. Once the pilot test has been completed, there will be a drawing and 4 students will be selected to win $100 Visa gift cards. CASA pilot test will take approximately 90 minutes to complete. Register at www.pilot.starttest.com.
