**From the PACE Office**

1. **“THE NEW PRIVACY”: COURSE ON DIGITAL PRIVACY & SECURITY**
   The following second eight week course will count as an elective toward the PACE certificate:

   JOUR-J 261, 37082, (3 cr.), Hot Topics in Journalism, 5:45-7:45 pm, TR. Bonnie Layton, Lecturer, EP 220.
   Course covers the hot topic of “The New Privacy” and examines digital privacy through the lens of citizens, journalists and the government. The realm of privacy includes data posted about you as well as the information you post. The course outlines the ethical and legal issues in obtaining and disseminating online information, using high-profile examples such as the recent National Security Agency leaks. “The New Privacy” also discusses the Deep Web — online information that’s hidden from searches, the variation among privacy standards worldwide and the information marketing companies are accumulating about individuals’ online habits.

2. **SPRING BREAK WITH LEADERSHAPE!**
   The PACE faculty invites students to consider attending LeaderShape Institute over spring break. We will sponsor two PACE students to attend. We can nominate more. Please let us know if you are interested in building leadership skills through this opportunity so that you can be considered for sponsorship and be nominated by our office. Then submit your application!

   LeaderShape is a week-long leadership institute that will challenge IU students to get out of their comfort zones. At LeaderShape, students won’t learn how to run better meetings; they’ll learn how to change the world—whatever that may mean to them. LeaderShape 2014 will be held March 16-21, at Bradford Woods. Applications can be found at [http://studentaffairs.iub.edu/sll/lead-iu/leadershape-2013/](http://studentaffairs.iub.edu/sll/lead-iu/leadershape-2013/), and are due Monday, February 17.

3. **PREP FOR INTERNSHIP & LIFELONG CITIZENSHIP AS PART OF THE PACE CERTIFICATE**
   Early in your undergraduate curriculum, you can fit in PACE-C 295 Citizenship and Careers. The two-credit course is for students who are pursuing the PACE certificate.

   After completing C295, you can choose from a wide variety of internship experiences and locations. Only one credit of PACE-C 410 Internship is required for the certificate (if you have taken C295) and PACE offers an internship scholarship. One credit equates to 50 hours of work over at least a six-week time period either in the summer or during a semester.

   See more details at [http://pace.indiana.edu/program/internship.shtml](http://pace.indiana.edu/program/internship.shtml) and come to see us when you are ready to plan your internship. The PACE internship director is Joeline Bergonzi. Be in touch when you are putting together your plans!

   You will need to have completed the internship requirement in addition to other certificate requirements for PACE before enrolling in the capstone seminar to complete the certificate. The capstone seminar, PACE-C 450, is only offered in the spring semester.
