The PACE Associate Director, Joeline Bergonzi, is the PACE contact for academic advising and has over 10 years’ experience consulting with students from all majors. She enjoys speaking with students who are exploring different areas for a major or trying to decide among multiple priorities and can aid in clarifying steps for individual students. She also serves as the PACE Internship Director and is the academic mentor for C410 credit, as well as one of the faculty coaches (with Michael Grossberg and Lisa-Marie Napoli) for the Issues Forum student planning and facilitation committee and PACE-C 400 credit. Students are encouraged to visit with Joeline early in their IU work to discuss their interests and priorities for their curriculum, then again to discuss internship procedures and resources, and as often as is useful.

PACE hours: are normally 8:30 – 4:30 PM Monday through Friday. For Thanksgiving week, the office will be open Monday through Wednesday and will reopen on Mon., Nov. 28. Joeline will be in the office next week on Mon. and Tues., Nov. 21 and 22, and then out until Mon., Dec. 5. Jaz Williams will be staffing the office as usual the week after Thanksgiving. Michael Grossberg will also be available Nov. 29-Dec. 1. Stop by Ballantine 132, or call to make an appointment, 812-856-1747. You may also send questions to pace [at] indiana.edu.

For spring internships, PLEASE NOTE: [You may consult with Joeline during office hours. She will be out of the office from Wed., Nov. 23 through Mon., Dec. 5.]

1. You must first have applied to add the PACE certificate. See the ‘Apply Now’ link on the homepage.
2. Submit to Joeline a copy of the C410 proposal and the letter of understanding, approved and signed by your site supervisor. You should indicate your plan for the number of hours to be worked weekly, keeping in mind that 3 credits requires 150 hours, including the academic work you complete for C410. Forms are on the website (see “internship forms” link on homepage).
3. You will then receive online authorization to enroll for the C410 credit.
4. Dec. 1 is the deadline to apply for PACE internship scholarship funding: pace.indiana.edu/program/funding.shtml

Please let Joeline know if you have any questions. Come by Ballantine 132 or call 812-856-1747.

Possible spring internship: If you are interested in media and in fostering citizen involvement among IU students, you may be a candidate for an ongoing project with the City of Bloomington and the IU Residence Halls and Orientation Program to make an introductory film about Bloomington City Government and city life generally. The Mayor’s Office staff and Communication Director would make available resources, including a video intern. Outreach to RA’s and dorm residents would be an important step to ground the project in the needs of IU students. Bloomington City Council member Steve Volan is another source of information for this effort. Much groundwork has been done! Please contact Joeline as soon as possible if you might wish to contribute to this project in the spring.

BUS-L 302 SUSTAINABILITY LAW & POLICY

REGISTER FOR PACE-C 400, 1 CREDIT ISSUES FORUM
Please enroll in the winter course: PACE-C 400 Issues Forum on Internet Privacy, Freedom and Security.

We have revised the one-credit PACE-C 400 Issues Forum so that students may take it up to three times (and have it count as a graded credit toward your degree). Please consider enrolling this year even if you have already attended the Forum. It is PACE’s largest community-building event thus far. We hope to have MORE participants than last year, with small group sizes of about 15 with at least two students in each group who are trained as co-facilitators. If you wish to attend without enrolling in the credit, that is also possible; we’ll ask for reservations in January.
