From the PACE Office

1 SPRING BREAK WITH LEADERSHAPE!
The PACE faculty invites students to consider attending LeaderShape Institute over spring break. We will sponsor two PACE students to attend. We can nominate more. Please let us know if you are interested in building leadership skills through this opportunity so that you can be considered for sponsorship and be nominated by our office. Then submit your application!

LeaderShape is a week-long leadership institute that will challenge IU students to get out of their comfort zones. At LeaderShape, students won’t learn how to run better meetings; they’ll learn how to change the world—whatever that may mean to them. LeaderShape 2014 will be held March 16-21, at Bradford Woods. Applications can be found at http://studentaffairs.iub.edu/sll/lead-iu/leadershape-2013/, and are due Monday, February 17.

2 PREP FOR INTERNSHIP & LIFELONG CITIZENSHIP AS PART OF THE PACE CERTIFICATE
If you have taken or are enrolled in PACE-C 250, please plan to take PACE-C 295 Citizenship and Careers. The two-credit course is for students who are pursuing the PACE certificate. Drop an email to pace@ to let us know that you need an online authorization.

After completing C295, you can choose from a wide variety of internship experiences and locations. Only one credit of PACE-C 410 Internship is required for the certificate (if you have taken C295) and PACE offers an internship scholarship. One credit equates to 50 hours of work over at least a six-week time period either in the summer or during a semester.

See more details at http://pace.indiana.edu/program/internship.shtml and come to see us when you are ready to plan your internship. The PACE internship director is Joelene Bergonzi. Be in touch when you are putting together your plans!

ATTN SPEA students: Your career course and internship credit through SPEA will count toward PACE if you speak with us before your internship to be sure it’s appropriate for PACE and you do the final assignments/debriefing with us!

You will need to have completed the internship requirement in addition to other certificate requirements for PACE before enrolling in the capstone seminar to complete the certificate. The capstone seminar, PACE-C 450, is only offered in the spring semester.

Questions? Give a call to 812.856.7882 or stop by the office, Ballantine 132.

3 READY TO APPLY FOR THE POLITICAL AND CIVIC ENGAGEMENT CERTIFICATE?
It’s a straightforward, easy procedure and should take about 10 minutes if you are enrolled in or have taken the beginning credits.* Follow the steps here to add the certificate to your degree: http://pace.indiana.edu/program/apply.shtml

*If you have not already done so -- please schedule an appointment with the Associate Director, Joeline Bergonzi, to consult about your interests and priorities and how you can fit PACE into your curriculum. Call 812-856-1747 or stop by Ballantine 132 to set up a time.
4 2014 SERVICE-LEARNING TRAVEL SCHOLARSHIP

The Service-Learning Program is delighted to announce that funding is available for service-learning scholarships to support students taking service-learning classes that could involve travel for their service. Scholarships of $250 are available to fund students enrolled in service-learning courses doing service-learning projects domestically; and scholarships of $500 are available to fund students enrolled in service-learning courses doing service-learning projects internationally. Typically, these scholarships will not cover the entire costs of these trips, but our hope is that they will help to defray the cost to students and encourage increased enrollment in these courses. Applications must be received by Friday, February 21 for spring scholarships/travel and Friday, May 16 for summer scholarships/travel. The scholarship application can be found at:
http://citl.indiana.edu/programs/grants/studentTravelAward1.php  Please contact Michael Valliant (mvallian@indiana.edu) with any questions.

5 THINKING ABOUT INTERNSHIPS? OPPORTUNITIES WITH IU’S OFFICE OF SUSTAINABILITY

--Sustainability Peer Educator Program applications are due Friday. This program will employ ($10/hr) undergraduate students as peer educators teaching sustainability lessons throughout the campus. The Sustainability Peer Educator Program (SPEP) trains undergraduate student leaders to deliver sustainability lessons and workshops to their peers. This program is intended to improve sustainability literacy, encourage the adoption of sustainable behaviors, and foster a culture of sustainability among students. The initial topics of focus will be waste minimization, energy conservation, and water conservation. The initial target audiences will be residence halls and the Greek community.  
http://sustain.indiana.edu/~sustain/programs/sustainability-peer-educator-program/learn-about-the-program.php  
Apply at http://sustain.indiana.edu/~sustain/programs/sustainability-peer-educator-program/apply.php

--Summer Sustainability Internship Program applications are due Friday. Sustainability interns are the primary engine for sustainability research and program development on the IUB campus. This is an incredible paid career development opportunity. *Applications accepted until 11:59 pm on Friday, February 14; you are encouraged to log in at https://www.indiana.edu/~sustain/Internships/index.php now to send your recommendation request.*  Visit sustain.indiana.edu for more info. Visit https://www.indiana.edu/~sustain/Internships/index.php to apply. The Summer Internship in Sustainability utilizes campus as a living-learning lab, enlisting students as researchers in investigating questions facing our community, such as: How do the ways in which our campus operates and consumes resources affect the social, environmental and economic well-being of our community? How is our campus impact connected to more complicated global issues like climate change, resource scarcity and poverty? What opportunities do we have as individuals, institutions, communities, and governments to increase collective social and economic health? How do we best communicate these opportunities? How will we adapt and ensure all people have the ability to thrive in response to dynamic climate conditions and limitations on resources?  http://sustain.indiana.edu/programs/internship-program-in-sustainability/apply.php
