We look forward to an exciting, informative and full day of civic engagement at its best!

2 SPRING BREAK WITH LEADERSHAPE!
The PACE faculty invites students to consider attending LeaderShape Institute over spring break. We will sponsor two PACE students to attend. We can nominate more. Please let us know if you are interested in building leadership skills through this opportunity so that you can be considered for sponsorship and be nominated by our office. Then submit your application!

LeaderShape is a week-long leadership institute that will challenge IU students to get out of their comfort zones. At LeaderShape, students won’t learn how to run better meetings; they’ll learn how to change the world- whatever that may mean to them. LeaderShape 2014 will be held March 16-21, at Bradford Woods. Applications can be found at http://studentaffairs.iub.edu/sll/lead-iu/leadershape-2013/, and are due Monday, February 17.

Remember to complete the online application to the PACE program online at http://pace.indiana.edu/program/apply.shtml.

If you have taken or are enrolled in PACE-C 250, please plan to take PACE-C 295 Citizenship and Careers. The two-credit course is for students who are pursuing the PACE certificate. Drop an email to pace@ to let us know that you need an online authorization.

One credit equates to 50 hours of work over at least a six-week time period either in the summer or during a semester.

ATTN SPEA students: Your career course and internship credit through SPEA will count toward PACE if you speak with us before your internship to be sure it’s appropriate for PACE and if you do the final PACE internship assignments + debriefing with us!

For the capstone PACE-C 450: You will need to have completed the internship requirement in addition to other certificate requirements for PACE before enrolling in the capstone seminar to complete the certificate. The capstone seminar, PACE-C 450, is only offered in the spring semester.
