1. **PACE COFFEE HOURS**

Want to get involved in public life? Looking to diversify your curriculum? Curious about PACE? Members of the Political And Civic Engagement Student Leadership Council will be hosting "coffee hours" in the IMU Starbucks on Tuesday, March 4 from 4 p.m.-7 p.m. and on Wednesday, March 5 from 2 p.m.-4 p.m., where students can feel free to stop by and discuss internships, community service projects, and other opportunities available through the PACE program. Current PACE students are encouraged to come discuss academic and professional opportunities as well.

The Political And Civic Engagement certificate program is guided by a commitment to intellectual diversity, rational exchange, open-mindedness, civility, and principled political and civic engagement. The certificate is great match for any undergraduate student interested in learning more about what makes a democracy function, and how we can involve ourselves in civil society. The PACE certificate can be combined with any major offered by the College of Arts and Sciences, and many others in the Kelley School of Business, SPEA, the Ernie Pyle School of Journalism, and even the School of Informatics and Computing. We hope to see you there! For more information about PACE, visit: [http://pace.indiana.edu/](http://pace.indiana.edu/).

2. **NEXT STEPS: THE PACE CERTIFICATE**

Remember to complete the online application to the PACE program online at [http://pace.indiana.edu/program/apply.shtml](http://pace.indiana.edu/program/apply.shtml). *

If you have taken or are enrolled in PACE-C 250, please plan to take PACE-C 295 Citizenship and Careers. The two-credit course is for students who are pursuing the PACE certificate. Drop an email to pace@ to let us know that you need an online authorization.

After completing C295, you can choose from a wide variety of internship experiences and locations. Only one credit of PACE-C 410 internship is required for the certificate (if you have taken C295) and PACE offers an internship scholarship. One credit equates to 50 hours of work over at least a six-week time period either in the summer or during a semester.

See more details at [http://pace.indiana.edu/program/internship.shtml](http://pace.indiana.edu/program/internship.shtml) and come to see us when you are ready to plan your internship. The PACE internship director is Joelene Bergonzi. Be in touch when you are putting together your plans!

ATTN SPEA students: Your career course and internship credit through SPEA will count toward PACE if you speak with us before your internship to be sure it’s appropriate for PACE and if you do the final PACE internship assignments + debriefing with us!

For the capstone PACE-C 450: You will need to have completed the internship requirement in addition to other certificate requirements for PACE before enrolling in the capstone seminar to complete the certificate. The capstone seminar, PACE-C 450, is only offered in the spring semester.
