2. **NEGOTIATION WORKSHOP AND SIMULATION**
   Friday, October 2, 9:30-11:30 a.m.; SPEA 274
   The 2-hour workshop and exercise will discuss insights about negotiation drawn from *Thirteen Days in September* by Lawrence Wright, which chronicles the day-by-day developments in the Camp David peace talks brokered in 1978 by Jimmy Carter between Egypt and Israel. The book offers a number of valuable insights not only for negotiating in the Middle East and around the Arab-Israeli conflicts, but for broader negotiation. The workshop is a unique opportunity for students to hear from people with deep experience negotiating in the Middle East and to do a fun and thought-provoking role playing exercise that will challenge them to apply some of the themes discussed. The format for the workshop is a group discussion, followed by students breaking out into a role-playing negotiation exercise, and then a group debrief and wrap up/concluding discussion. RSVP to ehalstea@indiana.edu.

3. **PANEL DISCUSSION: QUESTION AUTHORITY—CONGRESS, THE CIA, AND YOU**
   Friday, October 2, 4-5:30 p.m.; SPEA 167

Topics will include how to respond to the threats posed by ISIS and other extremist groups; the Iran nuclear deal; and relations between intelligence agencies and Congress. The panelists will also share advice for students on preparing for and pursuing successful professional careers in public affairs. Panelists include: Nick Connon, who represents major corporations in international commercial litigation and arbitration in the U.S. and abroad, with a particular emphasis on the Middle East; Jeffrey Spears, a former Army major and Judge Advocate General who now works with U.S. contractors in Iraq and Afghanistan, and whose experience in those regions includes both prosecuting war criminals and negotiating with tribal and village leaders; John Rizzo, former Acting General Counsel of the CIA whose book *Company Man: Thirty Years of Controversy & Crisis in the CIA* gives a first-hand account of several decades of agency policy and operational decision-making; and 9/11 Commission Co-Chair and former U.S. Representative Lee Hamilton.
