LOCAL POLITICAL ADVOCACY INTERNSHIP (FALL 2016)
Reverse Citizens United (a local political advocacy group) is offering an internship in Bloomington for a bright and energetic student to work with data, contact IU groups for presentations, and other tasks. The group wants to reverse the Supreme Court ruling (Citizens United) that permits unlimited contributions to groups that advertise in campaigns, in the belief that corporate spending on elections works against the common good. The group also plans a march around the Court House on April 16 as part of the nationwide Democracy Awakening day. Contact: Susan Davis, 812-331-2819 or susanbergdavis@hotmail.com

VOTER SERVICES COMMITTEE INTERNSHIP: LEAGUE OF WOMEN VOTERS
The Voter Services committee is trying to reach out to area high school students who are turning 18 to help them understand the importance of voting and get them information about how to register, seeking permission from local superintendents, principals, and teachers to gain access to classes of students. This is totally nonpartisan; interns will have to leave their own politics at the door. If interested, learn more by contacting Kathy Byers, kvbyers@indiana.edu, 812.361.4356.
