Final report and reflection for
Political and Civic Engagement Internship
Indiana University

Please use the following prompts to write a 5-7 page paper.

Part 1.
General details--Answer as many as you can of these question:

-- How did you fulfill the project goals from your Work Plan?
-- What revisions to that plan needed to be made?
-- What do you see as your most significant accomplishments?
-- How challenges did you face in this internship?
-- In what ways did you go outside your comfort zone?
-- Seeing those places as your ‘learning edges,’ what happened at those times?
-- If there has been a frustrating aspect of the work, what was it?
-- In what ways did you seek guidance and mentoring?
-- After this experience do you see any change in your longer term career goals?
-- Were any academic courses or experiences useful to you in this work?
-- What skills have you developed that you can see transferring to other jobs or experiences?
-- Would you recommend this internship to another student? Please explain.
-- What are your overall observations on the effectiveness of this organization?
-- What are your overall observations on your own effectiveness during this internship?

Part 2.
THE BIG QUESTION YOU SHOULD BE SURE TO ADDRESS:
-- How has the internship added to your understanding of political and civic engagement?

Part 3.
Specific metacognitive questions--please respond to all of these:
--During your time as an intern, how did you change in terms of
  *What you care about differently now than you did before?
  *What actions you are capable of performing now?
  *What you can connect or integrate now, that you could not before?
  *Your ability to think about problems in areas you have studied in college?
  *What you know?

--What did you learn about
  *The process of learning about political and civic engagement?
  *Interacting with other people?
  *Yourself?
  *Some of the major ideas you studied through the PACE program?
  *The phenomena involved in political and civic engagement?
